

'N Sync, See Right Through You

Tell me what kind of girl would wanna play me
Tear me down then try to break me
Baby how could you betray me
After all I've done for you?!
Took you there, bought you this now it's not enough babe
You better get you story straight babe
Tell me why you wanna play
I've had enough!

These games they gotta stop
I'm 'bout to get pissed off
You had to keep leadin me on
Baby, you thought you had me fooled but I see right through you!

Chorus:
Look into my eyes
Tell me what you see
Ya see a man who thought you loved me
You played me like a fool but I see right through you
I look into your eyes
Tell you what I see
I see a girl who ran game on me
You thought you had me fooled but I see right through you!

Tell me girl
What's his name what'd he do to take you?
Does he Freak you the way that I do?
'Cause you know that I know how to! (I know how to)
When he leaves you don't come cryin' back to me
'Cause I'll be movin on, you see
And you'll be just a memory
I think I've had enough!

These games they gotta stop (Oh Oh)
I'm 'bout to get pissed off (Ooh yeah)
You had to keep leadin me on
Baby, you thought you had me fooled but I see right through you!

Chorus:
Look into my eyes (Oh)
Tell me what you see (Tell me what you see)
Ya see a man who thought you loved me
You played me like a fool but I see right through you
I look into your eyes (To your eyes)
Tell you what I see (What I see)
I see a girl who ran game on me
You thought you had me fooled but I see right through you!

Thought you had me fooled
See right through you
Oh oh! Oh oh! Oh oh! Oh oh! Ooh yeah!
See right through you!

Baby tell me does he do it, do it like I do?
Baby tell me will he love you, love you like I do?
Now your cryin 'cause you can't believe that we are through
I don't care 'cause I see right through you
Let me tell ya this is how it's gunna be
After all that we have been through, what you meant to me
You won't do this to me!
'Cause now I see right through you!

Chorus:
Look into my eyes (Oh)

Tell me what you see (Tell me what you see)
Ya see a man who thought you loved me
You played me like a fool but I see right through you
I look into your eyes
Tell you what I see (tell you what I see)
I see a girl who ran game on me
You thought you had me fooled but I see right through you!

Chrous:
