

'N Sync, Selfish

I just don't understand
Why you running from a good man, baby
Why you wanna turn your back on love,
And Why you've already given up
See I know you've been hurt before
But I swear I'll give you so much more
I swear I'll never let you down,
'Cause I swear it's you that I adore
And I can't help myself babe,
'Cause I think about you constantly
And my heart gets no rest over you....

You can call me selfish
But all I want is your love
You can call me hopeless, baby
'Cause I'm hopelessly in love
You can call me unperfect,
But who's perfect?
Tell me what do I gotta do
To prove that I'm the only one for you....
So what's wrong with being selfish??
Yeah Yeah Yeah

I'll be taking up your time
Till the day I make you realize (realize)
That for you their could be no one else
I just gotta have you for myself,
Baby I would take good care of you.
No matter what it is you're going through,
I'll be there for you when you're in need,
Baby believe in me,
'Cause if love is a crime, hey yeah ,
Then punish me, I would die for you
'Cause I don't want to live without you,
What can I do?

You can call me selfish
But all I want is your love
You can call me hopeless, baby
'Cause I'm hopelessly in love
You can call me unperfect,
But who's perfect?
Tell me what do I gotta do
To prove that I'm the only one for you....

Why do you keep us apart???
Why won't you give up your heart?
You know that we're meant to be together,
Why do you push me away?
All that I want is to give you love,
Forever and ever and ever

You can call me selfish
But all I want is your love
You can call me hopeless, baby
'Cause I'm hopelessly in love
You can call me unperfect,
But who's perfect?
Tell me what do I gotta do
To prove that I'm the only one for you....

Selfishly I'm in love with you

'Cause I've searched my soul,
And I know that it's you
Selfishly I'm in love with you
'Cause I've searched my soul,
And I know that its you
Selfishly I'm in love with you
'Cause I've searched my soul,
And I know that its you
Selfishly I'm in love with you
'Cause I've searched my soul,
And I know that its you
