

# 'N Sync, When You Wish Upon A Star

Dreams come true (dreams come true)  
Dreams come true (oh oh oh yeah)  
Dreams come true (na na na na na)  
Dreams come true  
They do (they do)  
When you (when you)

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you  
It will come to you

If your heart is in your dream (your dream)  
No request is too extreme  
When you wish upon a star  
As dreamers do

Oh fate is kind  
She brings to those to love  
The sweet fulfillment of  
Their secret longing

Like a bolt out of the blue  
Fate steps in and sees you through  
When you wish upon a star  
Your dream comes true  
When you wish upon a star  
Your dream  
Comes true

Dreams come dreams come dreams come true  
Dreams come dreams come dreams come true  
It is your star  
Dreams come dreams come dreams come true  
Dreams come true  
Make a wish yeah  
Your dreams your dreams come true
