

# 'N Sync, You Got It

Oh right now baby Soon as the stars shine  
I'm gonna make you mine, oh baby

## CHORUS

You got it  
I want it, I'll do, whatever it takes  
You got it, I need it  
Your love is what makes my heart break

Let me tell you how I feel, I need your lovin' girl give in to me  
Never met a girl like you I know you'll like the crazy things people do

Walking slowly through the rain  
Without worries there's no pain  
When you see a shooting star  
All your problems seem so far  
If you feel true love and trust  
Girl just give me all you got

'Cause girl you got the love I need

## CHORUS

You got it  
You got it

You are in my dreams at night  
Whatever I do you're always on my mind  
I can't wait until the day when you and me are one in love to stay

Walking slowly through the rain  
Without worries there's no pain  
When you see a shooting star  
All your problems seem so far  
If you feel true love and trust  
Girl just give me all you got

Girl you got the love I need

## CHORUS 2x

Just give me all your love  
I got to have all your love

## CHORUS

Give me your love
