"Lose Yourself"

*8 Mile Soundtrack out now

Look, if you had one shot, one opportunity
To seize everything you ever wanted
One moment
Would you capture it or just let it slip?

Yo...

His palms are sweaty, knees weak, arms are heavy
There's vomit on his sweater already, mom's spaghetti
He's nervous, but on the surface he looks calm and ready
To drop bombs, but he keeps on forgettin
What he wrote down, the whole crowd goes so loud
He opens his mouth, but the words won't come out
He's chokin' how everybody's jokin' now
The clocks run out, times up over, bloah!
Snap back to reality, Oh there goes gravity
Oh, there goes Rabbit, he choked
He's so mad, but he won't give up that is he? No
He won't have it, he knows his whole back city's ropes
It don't matter, he's dope
He knows that, but he's broke
He's so stacked that he knows
When he goes back to his mobile home, that's when it's
Back to the lab again yo
This whole rhapsody
He better go capture this moment and hope it don't pass him

HOOK:

You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime yo
The souls escaping, through this hole that it's gaping
This world is mine for the taking
Make me king, as we move toward a new world order
A normal life is boring, but superstardom's close to post-mortem
It only grows harder, only grows hotter
He blows us all over these hoes is all on him
Coast to coast shows, he's known as the globetrotter
Lonely roads, God only knows
He's grown farther from home, he's no father
He goes home and barely knows his own daughter
But hold your nose 'cuz here goes the cold water
These hoes don't want him no more, he's cold product
They moved on to the next schmoe who flows
He nose dove and sold nada
So the soap opera is told and unfolds
I suppose it's old potna, but the beat goes on
Da da dum da dum da da

HOOK

No more games, I'ma change what you call rage
Tear this mothafuckin' roof off like 2 dogs caged
I was playin' in the beginnin', the mood all changed
I been chewed up and spit out and booed off stage
But I kept rhymin' and stepwritin' the next cypher
Best believe somebody's payin' the piper
All the pain inside amplified by the fact
That I can't get by with my 9 to 5
And I can't provide the right type of life for my family
'Cuz man, these goddam food stamps don't buy diapers
And it's no movie, there's no Mekhi Phifer, this is my life
And these times are so hard and it's getting even harder
Tryin' to feed and water my seed, plus
See dishonor caught up between bein' a father and a prima donna
Baby mama dramas screamin' on and

Too much for me to wanna
Stay in one spot, another jam or not
Has gotten me to the point, Im like a snail
Ive got to formulate a plot fore I end up in jail or shot
Success is my only mothafuckin option, failures not
Mom, I love you, but this trail has got to go
I cannot grow old in Salems lot
So here I go is my shot
Feet fail me not, this maybe the only opportunity that I got
HOOK
You can do anything you set your mind to, man
