

# Na'Shay, We Not Me (Snippet)

Mmm, mmmm, mmmm (3x)

Come to me baby

(Verse 1)

I never thought i would find somebody like you  
i never thought i would find somebody to be true  
i never thought someone could be this good to me  
(someone) who knows my every need  
i never thought that i would find love  
someone who was sent from above (yeeeeeahh)  
(that's why i'm tellin you right now)  
that i'm filled up with love  
and i will never mess around

(Chorus)

Just to say i'm weak  
i'm so weak  
i like the way that's soundin  
boy i'm down with your lovin  
just to say we not me  
you make me feel so sweet  
your sound, your smile i'm sooo weak  
just to say i'm weak
