

Nachtfalke, Fallen Heroes

Great battles under the north star
Fighting for honour and blood
With iron will under the sun wheel
Hallowed be the fight
Remember the fallen heroes
It's a fine day to die
Heroism in the blitzkrieg
Baptized with flesh and steel
Bounded by the sun wheel
Hallowed be the war
Remember the fallen heroes
It's a fine day to die
Marching through the ruins
Hold high our right hands
Killing under the sun wheel
Hallowed be the death
Remember the fallen heroes
It's a fine day to die
