

Nachtfalke, Pestkrieg

For blood and honour we fight
In hundreds of battles we stand
Mjolnir the hammer is on our side
Swing our swords and raise our hands
When Hel comes to earth
Goddess of suffer and dead
She will open the gates
Unleash the underworld
Triumph or death - Pestkrieg!
War in northland - Pestkrieg!
Triumph or death - Pestkrieg!
Death of the Gods - Pestkrieg!
Cross the river of death
We stand and fight till we die
On ancient shores of all evil
We raise again our swords
