

# Nada Surf, Firecracker

This time, the win is mine.

My perfect life.

Room spin, don't know how to stop, don't know how to start.

Firecracker, the one you keep inside.

Firecracker, you don't know how to light.

So sink in the tailspin of plans and sleep,

Or come and crush me tight,

My favorite high.

Here comes the film, PG 13!

Crackdown.

No net no cage, no first mistake
