

Nada Surf, Hyperspace

hands up who thinks it's now
home base is the bathroom where the lights are bright
it's never too late if you know how
we got our own brand of hyperspace
you cannot change anyone
there is no peace, there's only sun
when you want to go, i know you will
and i can see it all and i'm ok, but i wish there was another way
there's no right and there's no wrong
there's just the balance of the things you know
