## Nada Surf, Killian's Red

i'm putting this night down to bed cause i was sitting at the bar hoping you're walk in the door that says killian's red cause i left you a note that said come on out and we'll both get right off our heads and float up off the chair we'll go on vacation tonight under a sun of neon light and i almost love this town when i'm by your side you woke me from a long sleep and i'm almost back closer than ever to finding the hidden track if i told you the truth you wouldn't like what i said i almost believed i was dead there'll be no more waiting you're gonna melt all the ice in our heads there'll be no more crying you're gonna make it all better instead (verse) i get sécrets at night but they don't stay i get secrets at night but they go away
