

Nadia Ali feat Armin Van Burren, Who is Watching

Is it stinging
the acid in your stream
Hear the ringing
voices in between
You picked this tune to play
And you had to have your way
Got your masterpiece
But you dont seem pleased
SO HERE IT IS
CUSTOM MADE
YOU WRAPPED THE WORLD
AROUND YOUR FINGER
DID YOU TAKE ON
AN ENDLESS TOWER
HAS YOUR SPRING
TURNED INTO WINTER
YOU'RE FROZEN COLD
A ONE MAN SHOW
BUT WHO IS WATCHING?
THERE'S NO ONE WATCHING...
Now you got it
everything you asked
burned your bridges
so why you turning back
My doors wont fit you through
Your heads too heavy to
What could I give you now
Im still the same tale
SO HERE IT IS
CUSTOM MADE
YOU WRAPPED THE WORLD
AROUND YOUR FINGER
WAS IT ALL
A BIG MISTAKE
HAS YOUR SPRING
TURNED INTO WINTER
YOUR IN CONTROL
A ONE MAN SHOW
BUT WHO IS WATCHING?
THERE'S NO ONE WATCHING...
SO HERE IT IS
CUSTOM MADE
YOU WRAPPED THE WORLD
AROUND YOUR FINGER
YOU'RE CLAIM TO FAME
TURNED OUT A SHAME
HAS YOUR SPRING
TURNED INTO WINTER
YOU HELD YOUR OWN
ONE MAN SHOW
BUT NO ONES WATCHING...
NO, NO ONES WATCHING...
YOU CANT GO BACK
AND YOU CANT COME BACK
