

# Nadia Ali, Smooth

honey love honey love what you do to me  
I can't think I can't act the way I used to be  
got no choice just your voice sends me  
through the roof  
I'm a mess I confess it's because of you  
you shook me up so quickly  
you hit me like a smooth breeze  
smooth like the air I take you into me  
you're all I crave remain within me deep  
just like the air you're there around it all  
smooth everywhere you stare and make me  
fall  
turn around take me down to your dreaminess  
come on in and again we can lay and rest  
close your eyes my sunrise shine your beam of light  
ride the wave to escape and be by my  
side
