

# Nailbomb, Cockroaches

It would be the best  
Everyone could go to hell  
Turn into yourself  
Always someone else  
Don't need sympathy  
Smile it's nothing but teeth  
I'll keep my integrity  
Even if I have to sleep on the street  
Look around what are you doing  
You think God's inside you  
Telling people what to do  
You don't know who are you  
Look around what are you doing  
You think God's in you  
Telling people what to do  
You don't know who are you,  
FUCK
