

Nailbomb, Religious Cancer

Confess before Jezus...

The word of God knows more than you do...

Confess before Jezus...

So blind if you pray

Lost another day

Get off your knees

Do something for yourself

It'll teach you nothing

About the world today

Take the belief and throw it away

Throw it away

Throw it away

Throw it away

Destroy it all

Throw it away

Throw it away

Throw it away

Throw it away

Destroy it all

Throw it away

The church and all it's glory

Is draining all your money

No Gods, no masters

Religious cancer

It'll teach you nothing

About the world today

Take the belief and throw it away

Throw it away

Throw it away

Throw it away

Destroy it all

Throw it away

Throw it away

Throw it away

Throw it away

Destroy it all

Throw it away

The name Jezus has authority and in it is the power of the Holy Ghost
that name is batched by Heaven's power, Halleluja

Throw it away

Throw it away

Throw it away

Destroy it all

Throw it away
