

Najoua Belyzel, Quand Revient L'

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

Mon amie, au mois de mai
Vient le moment o je renais
Mon chagrin s'en est all
Souffl par tous les vents sacrs

Vive la vie, je t'aime fort
Chaque jour, c'est comme un trsor
Je t'invite au voyage
Dans mon linceul lit-cage
Quand revient l't

Mon amie, mon inspire
Dans tes parfums viens me bercer
Me voici, le coeur lger
Mre nature nous a gt

Vive la vie, je t'aime fort
jamais, tu es mon seul trsor
Tu as mille fois mon age
Mais j'ai plus de courage
Quand revient l't

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

Mon amie, mon chappe
Belle comme les hommes au coeur de femmes
De l'amour tu sais donner
A qui vient danser dans tes flammes

Vive la vie, je t'aime fort
jamais, tu es mon seul trsor
Tes milliers de visages
Ne livrent qu'un message
Quand revient l't

La la, ala, ala, ala, halla
La la, ala, ala, ala, halla

Et vive la vie, je t'aime fort
jamais, tu es mon seul trsor
Tes milliers de visages
Ne livrent qu'un message
Quand revient l't [2x]

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

Mais par amour, je dois rentrer
Nous ne verrons pas nos fleurs fner
Ni l'ennui nous dvorer
Car l'automne vient te chasser
Je te dis adieu jamais...

La la, ala, ala, ala, halla
La la, ala, ala, ala, halla

Et vive la vie, je t'aime fort
Chaque jour, je renais encore
Car mon plus grand pch
Serait de regretter

Adieu jamais, jamais, jamais, non jamais...

Adieu jamais...

I love you, I love you, I love you, I love you

I love you, I love you, I love you, I love you

My friend, at the month of May
Comes the moment when I'm reborn
My chagrin is gone
Blown by all the sacred winds

Long live life, I love you strongly
Each day, it is like a treasure
I invite you to the voyage
Inside my shrouded bed-cage
When summer comes back

My (female) friend, my inspired
In your scents you come to cradle me
Me here, the light heart
Mother nature has spoiled us

Long live life, I love you strongly
Until never, you are my only treasure
You are a thousand times my age
But I am more courageous
When summer comes back

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

My (female) friend, my escape
Beautiful like men to the hearts of women
Of love you know how to give
To whom comes to dance within your flames

Long live life, I love you strongly
Until never, you are my only treasure
Your thousands of faces
Don't give other than a message
When summer comes back

La la, ala, ala, ala, halla
La la, ala, ala, ala, halla

And long live life, I love you strongly
Until never, you are my only treasure
Your thousands of faces
Don't give more than a message
When summer comes back [2x]

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

But for love, I must reenter
We will not see the flowers fade
Nor the boredom devour us
Since the autumn comes to chase you
I bid you goodbye until ever...

La la, ala, ala, ala, halla

La la, ala, ala, ala, halla

And long live life, I love you strongly
Each day, I'm reborn again
Since my greatest fished (?)
Will be to regret
Goodbye until never, never, until never...

Goodbye until never...
