

Naked Eyes, There's Always Something There To

I walk along the city streets you used to walk along with me.
And ev'ry step I take reminds me of just how we used to be.

Oh how can I forget you girl?
When there is always something there to remind me.
Always something there to remind me.

When shadows fall I pass the small cafe where we would dance at night
And I can't help recalling how it felt to kiss and hold you tight.

Oh how can I forget you girl? .
When there is always something there to remind me.
Always something there to remind me.

I was born to love you and I will never be free
You'll always be a part of me.

If you should find you miss the sweet and tender love we used to share
Just come back to the places where we used to go and I'll be there.

Oh how can I forget you girl?
When there is always something there to remind me.
Always something there to remind me.

I was born to love you and I will never be free -
You'll always be a part of me.
'cos there is always something there to remind me

Always something there to remind me

Always something there to remind me
