

Name Taken, Better Luck Next Time

all work out, sun is down
and you're nowhere
i'm here to send (of my voice) broken in
my last choice to start again

won't you just bend a little with me
(let's start again, let's start again)
i won't care about anything
(let's start again, let's start again)

all work out, sun is down
and you're nowhere
(i'm here to send) of my voice broken in
my last choice to start again

won't you just bend a little with me
(let's start again, let's start again)
i wont care about anything
(let's start again, let's start again)

(why do i still try?)
(why do i still try?)
won't you just bend a little with me?
(let's start again, let's start again)
i won't care about anything
(let's start again, let's start again)
