

# Name Taken, Hold On For Your Dearest Life

You break me in two, tear me into  
You looking back regretting every move  
And I'm wearing thin, but they're not wearing out

Time takes its toll and the distance is greater  
Loss of control, we lost it

Take what you want from me  
And I think I can't feel anymore  
Take what you want from me  
And I can't, I can't think anymore

Held down so tight and tired  
Hold on for your dearest life  
I do as you say not as you've done (chanted)  
Hold on for your dearest life  
I do as you say not as you've done (chanted)  
Hold on, hold on  
Loss of control, we lost it

Take what you want from me  
And I think I can't feel anymore  
Take what you want from me  
And I can't, I can't think anymore

Dare I slow down and turn to paper  
Folding end over end'..overflow
