

Namie Amuro, Sexy Girl

Hey baby let me see
Your sexy sexy back to me
Hey baby let me see
Your pretty pretty eyes on me
Hey baby motto shy na jibun wo nugisutete daitan ni
Keep it
Hey baby let me see
Your sexy sexy hips on me
Hey baby let me see
Your shiny shiny lips on me
Hey baby motto tsuyoku your own style oshidashite
Keep it
Dareka no honey de iru tte dake janakute
I wont lose my way minna to wa chigau kono kachikan
Dont hurry anata no massugu na manazashi wa
Kananazu kotae michibiki dasu kara
Ladies nagasarezuni
Now ladies watashi de aru tame ni
So you can find out that
Hey baby let me see
Your sexy sexy back to me
Hey baby let me see
Your pretty pretty eyes on me
Hey baby motto shy na jibun wo nugisutete daitan ni
Keep it
Keep on moving
Hey baby let me see
Your sexy sexy hips on me
Hey baby let me see
Your shiny shiny lips on me
Hey baby motto tsuyoku your own style oshidashite
Keep it
Were gonna keep it comin
Anata ga anata rashiku aru tame ni
Dont lose your mind
Hyaku nen iroasenai sono feeling
Give your best shot nna no tsuyosa tte itte mo
Every girlie, tough aint enough
But youve got me by your side now
Ladies akiramezuni
Now ladies ayumi wo tomenaide
So you can find out that
Hey baby let me see
Your sexy sexy back to me
Hey baby let me see
Your pretty pretty eyes on me
Hey baby motto shy na jibun wo nugisutete daitan ni
Keep it
Keep on moving
Hey baby let me see
Your sexy sexy hips on me
Hey baby let me see
Your shiny shiny lips on me
Hey baby motto tsuyoku your own style oshidashite
Keep it
Pride means never having regret hold you
Uemuite, watashi ga tsuiteru kara
Take any chance mou me no mae ni
I believe youll never stop and stay,
Its gonna happen to you
Hey baby let me see
Your sexy sexy back to me
Hey baby let me see
Your pretty pretty eyes on me

Hey baby motto shy na jibun wo nugisutete daitan ni
Keep it
Keep on moving
Hey baby let me see
Your sexy sexy hips on me
Hey baby let me see
Your shiny shiny lips on me
Hey baby motto tsuyoku your own style oshidashite
Keep it
Were gonna keep it comin
