

Nana, Let It Rain

Chorus:

You cant run away, you cant run away, Its payback time, Its Judgement Day
You cant run away, you cant run away, Its pay-back time, Its Judgement Day
You cant run away, you cant run away, Its payback time, Its Judgement Day
You cant run away, you cant run away, Its pay-back time, Its Judgement Day

Rap 1:

Wake up in tha morning pray to God you know why I believe from the bottom of my heart
thats no lie Lord forgive me and every human being I aint shy Cheatin switchin places
in the line we all will die Non-believers backstabbin everyday Diggin deeper daily constantly your
Judgement Day Heartbeat increasin you approach the whitness stand Flashbacks on your
mind as you shake and lift your right hand Twelve oclock broad and day light Fasten
your seat belts makin sure that theyre pull tight Judgement Day I can see it in your eyes
Put your hands in your pocket grab your wallet and dont lie Let me tell you one thing
my man time has come Nowhere to hide and nowhere to run

Chorus x 1

Rap 2:

With the bible in my hand I preach and teach from land to land How many times must I
say it til you understand Someday we all gotta pay Butt naked we came butt naked we go
away Let me know the reason why you are killing for Stop looking at the man livin right
to your next door Grab a hand and help as much as you can Aint necessary for nobody
to eat out of a garbage can If you know what Im sayin - Straight from the messengers
mouth with no delayin - You had the time to change your mind You go for yours and let me go for
grab your wallet and dont lie Let me tell you one thing my man time has come Nowhere to hide and

Chorus x 1

Tonis rap:

Payback day is comin closer comin to y all Gods strike is hittin straight to y all What you did what y
speakin - Envy, jealousy and crimes rule the planet No love, no peace, no sorrow, forget it!

Rap 3:

You runnin out of money how funny Pappa Bear style Throw on the grill dont cry dry
your eye As we roll with the funky bass coming back to Rookie style, ha, Booya Halleluja our direc
Thats the reason why we dont play shy we apologize say bye bye You reep what you
saw if you dont know And if you dont know then act like you know Take it easy Im
just trippin on your mind You cant see what I see my man cause youre blind Judgement Day I can
and dont lie Let me tell you one thing my man time has come Nowhere to hide and nowhere to run

Chorus x 3
