

# Nana, Lonely

Refrain:

Im lonely, lonely, lonely  
Im lonely ,lonely in my life  
Im lonely, lonely, lonely  
God, help me, help me to survive

Verse:

Remember the first time we met, day one  
Kids in the garden, playingame, havin fun  
exciting and amazing, I had a real friend of mine  
feel my heartbeat and for real I aint lyin  
face to face and eye to eye, using our hands to b..... and  
supply  
chillin is cool from January to June  
and we still sticked together like the glue, u know tha rules  
Forever U & I and believe it was clear  
if I ever should fall I could count on u with no fear.  
Running out of time, I see who is fake  
alone without protection from all damn snakes  
all for one and one for all I was told  
black, white, yellow, if ya young or old  
NANA is in tha house to let you know  
what I see is how I feel and -damn - Im alone

Refrain

Everybody is trippin on me  
Oh, Lord come help me please  
I did some bad things in my life  
Why dont you rescue me  
Cause you got all I need  
I know Ive got to pay the price

Verse:

Creepin thru tha streets at night after a fuzz and fight  
tears in my eyes I am a man looking for the light  
dark is the path, he will rescue me  
the LORD is my shepard, Im cool despite emergency  
whom shall I fear, except the GOD  
thank you for the blessin and the skillz on the MIC  
five years, we know there is no diggity  
three at last, see the light in me  
what goes up must come down  
Ill be around while u heading towards death town  
always look forward, how you never looked back  
so many tears and the snakes on my track  
now Im riding in my big, fat.....  
your asses slaves, so look for the light  
NANA in tha house to let everybody know  
what I see is how I feel so leave me alone

Refrain

Everybody is trippin on me  
Oh, Lord come help me please  
I did some bad things in my life  
Why dont you rescue me  
Cause you got all I need  
I know Ive got to pay the price
