Nana Mouskouri, All Through The Night

(Jules Shear)

All through the night I'll be awake and I'll be with you All through the night This precious time when time is new Oh, all through the night today Knowing that we feel the same without saying

We have no past we won't reach back Keep with me forward all through the night And once we start the meter clicks And it goes running all through the night Until it ends there is no end

All through the night stray cat is crying so stray cat sings back All through the night They have forgotten what by day they lack Oh under those white street lamps There is a little chance they may see

We have no past we won't reach back Keep with me forward all through the night And once we start the meter clicks And it goes running all through the night Until it ends there is no end

Oh the sleep in your eyes is enough Let me be there let me stay there awhile

We have no past we won't reach back Keep with me forward all through the night And once we start the meter clicks And it goes running all through the night Until it ends there is no end Keep with me forward all through the night And once we start the meter clicks And it goes running all through the night Until it ends there is no end
