

Nana Mouskouri, And I Love You So

And I love you so
the people ask me how,
how I've lived till now
I tell them I don't know.

I guess they understand
how lonely life has been
but life began again
the day you took my hand.

And yes I know how lonely life can be
the shadows fall on me
and the night once set me free
but I don't let the evening get me down
now that you're around me.

And you loved me too
you're thoughts are just for me
you set my spirit free
I'm happy that you do.

The book of life is green
and once a page is read
oh but love is dead
that is my belief.

And yes I know how lonely life can be
the shadows fall on me
and the night once set me free
but I don't let the evening get me down
now that you're around me.
