

Nana Mouskouri, Moondance

Well it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'neath the cover of october skies
You know the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling of
Your heart-string that play soft and low
You know the night's magic
Seems to whisper and hush
And all the soft monnlight
Seems to shine as you blush

Chorus

Can I just have a one more dance
With you whom I love
Can I just make some more romance
With you whom I love

Well, I want to make love to you, tonight
I can't wait 'till the morning has come
And I know how the time is just right
And straight into my arms you will run
When you come, my heart will be waiting
To make sure that you're never alone
There and then, all my dreams will come true, dear
There and then I'll make you my own
And everytime I touch you
You just tremble inside
And I know how much you want me
That you can't cannot hide

CHORUS

Well it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of october skies
And everytime you touch me
You just tremble inside
And I know how much you want me
That you can't cannot hide
