

Nana Mouskouri, My Rainbow Race

1-

One blue sky above us
One ocean lapping all our shores
One earth so green and brown
Who could ask for more

2-

And because I love you
I'll give it one more try
To show my rainbow race
It's too soon
Too soon to die
It's too soon to die

3-

Some want to be like an ostrich
And bury their heads in the sand
Some hope for plastic dreams
To unclutch those greedy hands

4-

Some want to take the easy way
Poisons, bombs they think we need them
Don't they know
You can kill all the unbelievers
There's no short cut to freedom

5-

Then because I promise
I'll give it one more try
To show my rainbow race
It's too soon
Too soon to die
It's too soon to die

It's too soon to die (Repeat X 5)

Repeat 1-2-
