

Nana Mouskouri, Nickel Song

Well, you know that I'm not a gambler
But I'm being gambled on
They put in a nickel
And I sing a little song

Da da da da da da da da da da
They just put in a nickel
And I sing a little song

Well I don't mind that their luck
But it seems like they always win
And gambling is illegal
In the state of mind I'm in
And if I had a nickel
For each time that I've been put on
I would be their nickel man
And I'd sing a nickel song

They're only putting in a nickel
And they want a dollar song
Ya they're only putting in a nickel
And they want a dollar song

Well I don't know so many things
But I know what's been going on
With only putting in a little tune
To get rid of a lot that's wrong
And if we had a nickel
For each time that we've been put on
We'll all be their nickel man
And we'd sing a nickel song

They're only putting in a nickel
And they want a dollar song
Ya, they're only putting in a little
To get rid of a lot that's wrong

Da da da da da da da da da da

They're only putting in a nickel
And they want a dollar song
Da da da da da da da da da da
They're only putting in a nickel
And they want a dollar song
Da da da da da da da da da da
Da da da da da da da da da da
