

# Nana Mouskouri, Roses Love Sunshine

Roses love sunshine  
Violets love dew  
Angels love heaven  
And so, I love you

If you don't love me,  
Love whom you please  
But let me be near you  
Give my heart ease

I'm building a castle  
Forty feet high  
So I can see you  
As you go by

## INSTRUMENTAL BRIDGE

Throw your arms around me  
Before it's too late  
Put your head on my shoulder  
Feel my heart ache

We'll walk together  
Through life's hard line  
Knowing forever  
You will be mine

Roses love sunshine  
Violets love dew  
Angels love heaven  
And so, I love you
