

# Nana Mouskouri, That's My Desire

1-  
To spend one night with you  
In a rendez-vous  
And reminisce with you  
That's my desire

2-  
To mix where gypsies play  
Down in the dim caf  
And dance till break of day  
That's my desire

3-  
We'll a sip a little glass of wine  
I'll gaze into your eyes divine  
I'll feel the touch of your lips  
Pressing on mine

4-  
To hear you whisper love  
Just when it's time to go  
Chri, je t'aime tant  
That's my desire \*
