

Nana Mouskouri, Waiting

1-

The clouds have cornered my life again
The horizon has blinded my sight again
And I know I must be strong
Carrying on alone

Whenever my dreams have stormed 'till morning
You were there, an angel, a blessing
No, I cannot see your smile
And I'm defenceless like a child

R1

And I've been waiting
And I've been crying
And I've been loving
Loving,

2-

You were the one I wanted to live for
You were my life, how could I ever ask for more?
Still my mind went on believing
That you never could be leaving

R2

And I've been waiting
And I've been crying
And I've been loving
Love.....
