

# Nanci Griffith, Angels

The touch of your hand will let me know  
You'll take me in then let me go  
If not for love why would we meet?  
How is it turned two into one so easily?

We're lifted up by Angels

You understand, and you never say  
How every plan could fade away  
If not for love where would you be?  
Ashes to dust, water to rust, away from me

(chorus)

We're lifted up by Angels  
Higher than the world  
Strong enough to leave it  
Bound to learn the secret  
Angels never hurt  
Close enough to heaven  
Above the rain  
Darkness cannot reach us  
Let the Angels teach us  
Only love remains

We're lifted up by Angels

Given wings to fly  
Leave the night behind us  
Trust the light to find us  
Even as we rise

We're lifted up by Angels

(chorus)
