

# Nanci Griffith, If Wishes Were Changes

(Nanci Griffith - James Hooker)

I wish that you loved me  
The way that I love you  
I wish I had Angels  
Who sang in my dreams  
If wishes were changes  
We'd all live in roses  
And there wouldn't be children  
Who cried in their sleep

He wishes I loved him  
The way that I love you  
If wishes were changes  
I'd dry all his tears  
If wishes were changes  
I'd make him my anchor  
He'd be my anchor  
He'd be my Angel  
Who sang through the years

Chorus  
So long to the blue days of wishing  
If wishes were changes  
There'd be no goodbyes  
So long to the heart I have given  
'cause wishing won't bring back  
The love in your eyes

I wish that I had your  
Wings of desire  
I wish I had seen you  
As I see you now  
I wouldn't feel sorrow  
You've left here inside me  
But, wishing won't change  
Right from wrong for you now

Chorus

Repeat First Verse
