

# Nanci Griffith, Let It Shine On Me

There's a star in heaven's sky  
Always shining bright  
It's just a tear in an angel's eye  
A gentle guiding light

Let it shine on me  
Let it show the way  
Let it always be  
Let it always stay  
Let it flood my soul  
Let it hold the key  
Let it all unfold  
Let it shine on me

When the way seems so dark  
Let it shine on me  
Bringing home within my heart  
A reason to believe

Let it shine on me  
Let it show the way  
Let it always be  
Let it always stay  
Let it flood my soul  
Let it hold the key  
Let it all unfold  
Let it shine on me

Let it shine on me  
Let it show the way  
Let it always be  
Let it always stay  
Let it flood my soul  
Let it hold the key  
Let it all unfold  
Let it shine on me
