

# Nanci Griffith, She Ain't Goin' Nowhere

(Guy Clark)

She was standin' on the gone side of leavin'  
She found her thumb and stuck it in the breeze  
She'll take anything that's goin' close to somewhere else  
She can lay it down and live it as she please

Chorus

She ain't goin' nowhere  
She's just leavin'  
She ain't goin' nowhere  
Se can't breathe in  
She ain't goin' home and that's for sure

She's not sittin' down and crying on her suitcase  
She has no second thoughts by the road  
She's got feelings that need some repairin'  
And she did not give a damn that it showed

Chorus

The wind had a way with her hair  
And the blues had a way with her smile  
And she had a way of her own  
Like prisoners have a way with a file

Chorus (Twice)

She ain't goin' home that's for sure
