

# Nanci Griffith, Speed Of The Sound Of Lonliness

You come home late  
And you come home early  
You come home big  
When you're feelin' small  
You come home straight  
And you come home curly  
Sometimes you don't come home at all  
Chorus:  
So what in the world's come over you?  
What in heaven's name have you done?  
You've broken the speed of the sound of loneliness  
You're out there runnin'  
Just to be in the run  
Well, I've got a heart that burns with a fever  
And I've got a worried and a jealous mind  
Well how can a love  
That will last forever  
Get left so far behind?  
Chorus:  
It's a mighty mean and a dreadful sorrow  
Crossed the evil line today  
How can you asked about tomorrow  
We ain't got one word to say  
Chorus:
