

# Nanci Griffith, Tell Me How

(Charles Hardin - J. I. Allison)

Tell me how to keep your love  
You know how I need your love  
Tell me how you keep the love  
Within your heart from me

Don't you know that I love you  
Let me show why I'm true blue  
When I know a love is true  
Don't keep your love for me

If you would say to me today  
The time for love is now  
Could I sway your love my way  
Then I say, "Tell me how."

Tell me how to keep your love  
You know how I need your love  
Tell me how you keep the love  
Within your heart from me

(Instrumental break)

Tell me how to keep your love  
You know how I need your love  
Tell me how you keep the love  
Within your heart from me

If you would say to me today  
The time for love is now  
Could I Sway you love my way  
Then I say, "Tell me how"

Tell me how to keep your love  
You know how I need your love  
Tell me how I need your love  
Within your heart from me

(Instrumental break)

Tell me how you keep my love  
Within your heart from me
