Nanci Griffith, Tonight I Think I'm Gonna Go Dow

Tonight I think I'm gonna go downtown Tonight I think I'm gonna look around For something that I couldn't see When this world was more real to me Tonight I think I'm gonna go downtown

My love, my love has gone away My love, my love what can I say My love would never see that this world's just not real to me Tonight I think I'm gonna go downtown

I told my love a thousand times Why I can't say what's on my mind But he would never see That this world's just not real to me And tonight I think I'm gonna go downtown
