

# Nanci Griffith, Where Would I Be

(Paul Carrack)

Tell me where  
Would I be now without you  
Without an angel  
Watching out for me

Took a long, long time  
For me to realize  
All my faith in you  
Was so justified

Tell me where  
Would I be without you  
Where would I turn  
To find the truth I need

I could never go back  
To where I used to be  
I've got so used to having  
All the love you give to me

Tell me where  
Would I be without you now

And every time I stumble or fall  
I call your name and you'll be there  
Or if I should fly too high  
I know your love will reach me anywhere

I could never go back  
To where I used to be  
I've got so used to having  
All the love you give to me

Tell me where  
Would I be now without you  
Would I be lost  
Just drifting out to sea

If I could start all over  
I wouldn't change a thing  
'Cause I know you'll always  
Be there through thick and thin

Tell me where  
Would I be without you now
