

Nancy Lamott, The Promise (I'll Never Say Goodbye)

M & A Bergman □□

A love for people all around us...
...You and I shall be forever.
Say goodbye,
when I can barely say goodnight.
If I can hardly take my eyes from yours,
how far can I go?

Walk away,
the thought would never cross my mind.
I couldn't turn my back on Spring or Fall,
your smile least of all.

When I say always,
I mean forever.
I trust tomorrow as much as today,
I am not afraid to say I love you.
But I promise you,
I'll never say goodbye.

We're dancers,
On a crowded floor.
While other dancers leave from song to song,
our music goes on and on.

On and on.
And if I ever leave your arms,
I really would have traveled everywhere.
For my world is here with you.

When I say always,
I mean forever.
I trust tomorrow as much as I do today.
I am not afraid to say I love you.
And I promise you,
I'll never say goodbye.

How could I ever say goodbye?
