

# Nancy Sinatra, I Can't Grow Peaches On A Cherry Tree

I have tried to make you love me  
I've done everything your way  
And I'm crying for the words you'll never say  
You think love is an illusion  
That must end in sad conclusion  
If that's what you feel that's just how it will be  
And I can't grow peaches on a cherry tree

When I see the peaches blossom  
I'll regret I said goodbye  
I remember cherry kisses and I'll cry  
But I can't go on pretending  
That our love is never ending  
For you can't be loved unless you want to be  
And I can't grow peaches on a cherry tree

Someday I will find a new love  
But for you there can be no love  
For you can't be loved unless you want to be  
And I can't grow peaches on a cherry tree
