

Nancy Sinatra, Summer Wine - Lee Hazlewood

(NANCY):

Strawberries cherries and an angels kiss in spring
My summer wine is really made from all these things

(LEE):

I walked in town on silver spurs that jingled to
A song that I had only sang to just a few
She saw my silver spurs and said lets pass some time
And I will give to you summer wine
Ohh-oh-oh summer wine

(NANCY):

Strawberries cherries and an angels kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Ohhh-oh summer wine

(LEE):

My eyes grew heavy and my lips they could not speak
I tried to get up but I couldnt find my feet
She reassured me with an unfamiliar line
And then she gave to me more summer wine

Ohh-oh-oh summer wine

(NANCY):

Strawberries cherries and an angels kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Mmm-mm summer wine

(LEE):

When I woke up the sun was shining in my eyes
My silver spurs were gone my head felt twice its size
She took my silver spurs a dollar and a dime
And left me cravin for more summer wine
Ohh-oh-oh summer wine

(NANCY):

Strawberries cherries and an angels kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Mmm-mm summer wine
