Nancy Sinatra, Sundown, Sundown

There's no one in this world for me There's never gonna be

There's no one in this world needs me There's never gonna be

Yet sometimes in my dreams I hear Sundown, I miss you sundown Sundown, I need you sundown Come on, come on, come on back to me Come on, come on, come on back to me

I need you sundown, I need you sundown

There's no hands ever reached for me There's never gonna be There's no one meant for lonely me There's never gonna be

Yet sometimes in my dreams I hear Sundown, I miss you sundown Sundown, I want you sundown Come on, come on, come on back to me Come on, come on, come on back to me

I love you sundown I love you sundown I love you sundown
