

# Napalm Death, Emotional Suffocation

So this ordeal were subjected to  
Is all part of being [in] love?  
Two minds of intense confusion  
Contained in feelings of spite and mistrust  
The closer one of us tries to get  
The further the [other] seems to move  
Tangled in trapped emotions  
Cant face the prospect of rejection  
Uncertainty arouses suspicion  
Of your mind I want possession  
I try to be honest with you  
But are you being honest with me?
