

# Napalm Death, Evolved As One

Your pride

Why should your pride be so restricted?

Restricted to a mere fraction of this earth.

This earth from which we have all evolved.

This earth where all of it's people are downtrodden.

Downtrodden by all those who  
stand to prosper from exploitation.

Downtrodden by those whose slime infests your weak minds.

--Your weak minds. (repeat a lot)
