Napalm Death, Indispose

Do you think you can trust? Your mind made up of the things That cause you to live your life

Displaced Dispose

Give in You've got the best of me Wear thin Resisting qualities

I had no choice You've got the best of me Force me to voice Resisting qualities

They blame you Beat you Drain you of remaining morsels As you tremble

Shattered Scattered now before you They wipe your face in disgust

Indispose

Despite the fact Accept the fact You dave your best Famous last words
