## Napalm Death, Walls

(SIEGE)

Walls that part humanity Over which I cannot see Walls as old as history Cast a shadow over me

Break down the walls Take down them all Break down the Take down the Shake down the

Walls that divide the nations Keep them in isolation Segregate the populations Beat down the opposition

Break down the walls Take down them all Break down the Take down the Shake down the

Barriers that divide Trapping me inside Bring apartheid to an end Cross the border Make a friend

Break down the walls Take down them all Break down the Take down the Shake down the walls
