

# Narcoze, Immortal Warriors

In a far away world  
From the burning soil  
Originated aike warriors  
Wild men with morbid sights  
Blood was glory  
Kill you not be killed  
Blood was glory  
Kill you not be killed  
Death was only a little datail  
On the sharp steel  
Of the powerfull warrior  
The enemies blood  
Is the best wine  
The enemies cry  
Is the best melody-die  
Immortal warriors  
I can hear the sound  
Immortal warriors  
Souls or lifes
