## Narnia, Angels Are Crying

Look and see What we've created I'm not proud of what I see We are living in a world of confusion Lies don't bother us anymore

We're the last generation Still we live the same way as in Babylon Oh no! We haven't learned the lesson

The angels are crying When they see what we have done See the angels are crying, crying

We can't hear the spirit talking Too deaf and blind to hear and see We're too proud to change the way of living Always eye for an eye

Look out! Look out! The angels are crying When they see what we have done See the angels are crying, crying
