

# Naruto, Broken Youth

It's very so easy for youth to forgive everything  
I called in the rescue team  
So please kiss me, please kiss me all night  
Is it a fallen angel's magic, or a mischievous monster's prank?  
Before we get bored  
Let's let go of that bowling ball. We lead such strange lives  
You've gotta understand  
We're gonna smash it...  
Cut through the inner turmoil  
We're gonna break...  
I can't break it...our victory  
Ijiina riyuu issai yurusu jakuhai  
Resukyuutai mo yondeoita  
Dakara purriizu kisu mi purriizu kisu mi ALL NIGHT  
Datenshi no mahou ka koakuma no chachina itazura  
Tsumaranakunacchua mae ni  
Soore de houre  
Bouringbooru ibutsu na sonazi daro  
Shouchi no suke  
Kowaresoude...  
Docchirakatta kanjou de kirihirake yo  
Kowaresou de  
Kowaseni bokura no shouri
