

# Nash Leigh, Need To Be Next To You

Been running from these feelings for so long  
telling my heart I didn't need it  
pretending I was better off alone  
but I know that it's just a lie  
so afraid to take a chance again  
so afraid of what I feel inside

but I need to be next to you (need to be next to you)  
oh I, oh I  
I need to share every breath with you (share every breath with you)  
oh I, oh I  
I need to know I can see you smile each morning  
look into your eyes each night  
for the rest of my life

here with you, near with you  
oh I  
I need to be next to you  
need to be ' next to you

right here with you is right where I belong  
I'd lose my mind if I didn't see you  
without you there is nothing in this life  
that would make life worth living for  
I can't bear the thought of you not here  
I can't fight what I feel anymore

'cause I need to be next to you (need to be next to you)  
oh I, oh I  
I need to share every breath with you (share every breath with you)  
oh I, oh I  
I need to know I can see you smiling each morning  
look into your eyes each night  
for the rest of my life

here with you, near with you  
oh I  
I need to be next to you

I need to have your heart next to mine  
for all the time  
hold you for all my life  
I need to be next to you

I need to be next to you (to be next to you)  
oh I, oh I  
need to be, need to be next to you  
share every breath with you  
oh, oh I  
I need to feel you in my arms, babe (oh...)  
in my arms, babe (oh I...)  
I need to be next to you  
oh I, oh I  
(oh I...)
